Dear Mr. Camps:

I am writing to respond to your letter to the Pennsylvania Innocence Project. Thank you for clarifying your situation. You are currently on direct appeal from your conviction. Our organization does not begin reviewing a case while a convicted individual has a right to counsel – that is, through the direct appeal and the first Post-Conviction Relief Act petition. Should both of those appeals be unsuccessful for you, we encourage you to write us again after their completion. But until that time, we cannot review your case.

Sincerely,
